

ZERO

THE END OF PROSTATE **CANCER**

**Get Screened for Prostate Cancer
Confidential, Convenient & Free!**

Men over 45 – or any man with a family history of prostate cancer – who have not had a prostate screening in the past year can get free PSA and DRE testing at two locations in September. Holy Spirit Health System and Urology of Central Pennsylvania, Inc. (UCPA) have teamed up with ZERO, The End Of Prostate Cancer, to bring a mobile unit to the area for confidential, convenient testing.

The ZERO mobile unit has two private exam rooms. Testing takes about 10 minutes; no appointment is needed. And, it's free!

Tuesday, September 16

9 a.m.–12:30 p.m.

**Commonwealth Avenue, Harrisburg
Near the Capitol Building**

2–5 p.m.

**Duncannon Family Health Center
Next to Mutzabaugh's Market**
